RURAL MUNICIPALITY OF DUFFERIN

PR Road Reserve Expenditure Plan (2026)

What is being proposed?

The RM of Dufferin is proposing to use **\$50,902.17 from the PR Road Reserve Fund** to support road reconstruction work at various Roads throughout the Municipality.

What work will be done?

- Reconstructing and gravelling approximately **12.5 miles of road**
 - Applying gravel at about **450 cubic yards per mile**
 - Improving road surface, crown, and drainage where needed
-

Why is this work needed?

This work goes beyond regular maintenance and is intended to:

- Improve road conditions and safety
 - Address wear, rutting, and base issues
 - Reduce future maintenance costs
-

How will the work be completed?

- The RM will use **its own equipment and staff where possible**
 - Some **materials and hauling may be contracted** as needed
 - Work will focus on the areas shown on the attached map
-

How is this funded?

- **\$50,902.17** from the PR Road Reserve Fund
 - Additional value is provided through **municipal labour and equipment**
-

Is this allowed?

Yes. The PR Road Reserve was created under **By-law No. 1947** for the maintenance and construction of various Roads throughout the Municipality.

Public Input

Council will hear from anyone who wishes to speak, ask questions, or make a presentation at the public hearing.

Summary

This project will improve approximately **12.5 miles of various Roads throughout the Municipality** using a combination of reserve funds and municipal resources, helping extend the life of the road and improve driving conditions.
